

Setting up the Zamp Helmet Display:

Box 1 Includes:

- (1) Zamp Display Board
- (2) L Brackets

Box 2 Includes:

- (1) Display Base
- (1) Hanger Bracket
- Hardware
 - (9) 3" Bolts
 - (2) 2" Bolts
 - (11) 10mm Locknuts
 - Hex Key

Setup:

1. Attach bottom of Display Base to bottom of L Brackets using (4) 3" bolts and (4) locknuts

2. Slide Display Board between L Brackets so that the 4 holes on the Board line up with Brackets

3. Attach the Hanger Bracket to the top of the L Brackets with (2) 3" bolts and (2) locknuts

4. Attach L Brackets to top of Display Base with (2) 2" bolts and (2) locknuts

5. Tighten all bolts with included Hex Key
