Zamp Racing is proud to announce our revolutionary RZ-70E SWITCH helmet. Our unique system allows you to easily configure your helmet for a variety of racer setups by removing a cheek pad and three screws. Adding communication or hydration to your helmet has never been so easy!

This helmet features the new DDAIR-SYSTEM, a new dual-density air integration relief system. Full 360-degree air channeling providing ultimate airflow. Cool air enters the helmet, warm air leaves the helmet.

Features:

- Composite Aramid Mix Lightweight Shell
- Z-Design in Shell circulates air throughout the shell utilizing large internal channels
- Channels in Chin Bar EPS allow for easy mounting of communications/microphone, drink tube.
- Z-20 Series 3mm Clear Shield with Tear Off Posts which use 12.25 inch banana style Tear Offs
- M6 Inserts for Head & Neck Restraint
- Triangle Caps – Aero Cap OR Communication Cap
 - Aero Cap for Open Wheel
 - Comm Cap for Easy Communication Install or Hydration
 - Fits Left or Right, Easy to Reconfigure
- Installation available for Communications and Hydration
- FIA 8859-2015/Snell SA-2020 Approved

Z-20 Purple Prism Shield
#HASZ20PP

Zamp proudly introduces the RZ-38 DIRT, a Snell SA2025 certified helmet built specifically for dirt racers who demand protection, comfort, and focused performance at an unbeatable price. Featuring the same proven shell as our standard RZ-38 model, the DIRT version is optimized for off-road use with **reduced venting to block out dust and roost.**

This model includes a **pre-installed upper chin curtain** to prevent dirt and debris from entering the helmet through the chin bar area — a key feature for demanding dirt track environments.

Like the original, the RZ-38 DIRT features a **lightweight composite fiberglass shell** and the all-new **29 Series interior** — fully removable and washable — allowing drivers to refresh or customize their fit after intense racing conditions.

Features:

- Composite Fiberglass Lightweight Shell
- Z-20 Series Clear Shield – with tensioning tear-off posts, compatible with 12.125" banana-style tear offs or Z Optics P208Z Tear Offs
- 29 Series Interior – Premium, removable, washable, fire-retardant crown liner and cheek pads
- Reduced External Venting – Less airflow to block dust, dirt, and roost
- Pre-Installed Upper Chin Curtain – Shields driver's mouth from debris
- Top Air System – Pre-installed threads for optional top air accessories
- M6 Inserts – Head & Neck Restraint compatible
- Snell SA2025 Approved

RZ-57 Air

H784A001

H784A003

The Zamp RZ-57 Air helmet combines the latest Snell SA2025 helmet technology with the best value in the market! This model provides minimal front venting with an included Round Top Air accessory to run a Forced Air system - keeping you cool and helping prevent fogging in extreme racing conditions. Inexpensive is redefined with the RZ-57 Air, offering features and quality comparable to helmets that cost twice as much. Built for racers who demand reliability, comfort, and safety without breaking the budget, the RZ-57 Air blends modern performance with practical functionality, making it an ideal choice for a wide range of motorsports.

Features:

- Composite Fiberglass Lightweight Shell
- 7-Top Air System - Enhanced airflow through top, chin, scalp, and rear exhaust vents
- Plush Fire-Retardant Interior - non-removable
- Z-20 Series Clear Shield - with tensioning tear-off posts, compatible with 12.125" banana-style tear offs or Z Optics P208Z Tear Offs
- M6 Inserts - Head & Neck Restraint compatible
- Includes Round Top Air Accessory to connect to Forced Air Systems

RZ-57V

H78303F

H78315F

Zamp proudly introduces the RZ-57V, a high-performance helmet designed with increased airflow and comfort in mind. Certified to Snell SA2025 standards, the RZ-57V takes everything great about the RZ-57 platform and adds expanded venting throughout the shell—making it the ideal choice for asphalt racers and drivers in high-heat environments.

With a lightweight composite shell, premium interior materials, and a full ventilation package including a 7-top air system, the RZ-57V delivers performance and cooling typically found in helmets at a much higher price point.

Features:

- Composite Fiberglass Lightweight Shell
- 7-Top Air System – Enhanced airflow through top, chin, scalp, and rear exhaust vents
- Plush Fire-Retardant Interior - non-removable
- Z-20 Series Clear Shield – with tensioning tear-off posts, compatible with 12.125" banana-style tear offs or Z Optics P208Z Tear Offs

CHEEK PADS & CROWN LINERS

MANY OF OUR HELMETS INCLUDE REMOVABLE CHEEK PADS AND CROWN LINERS. THIS MEANS YOU CAN REPLACE THE INTERIOR IF IT IS BEYOND CLEANING OR CREATE A CUSTOM FIT (FOR EXAMPLE, LARGE CHEEK PADS AND X-LARGE CROWN LINER). OUR HELMETS COME IN MULTIPLE SHELL SIZES, SO FOLLOW THE CHART BELOW TO SEE WHAT RANGE OF SIZES ARE AVAILABLE FOR YOUR HELMET.

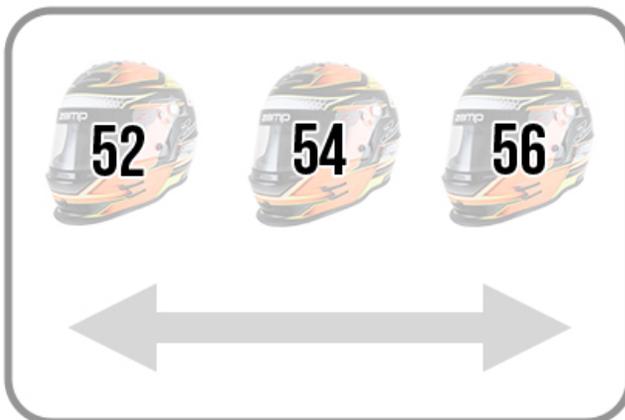

IF YOUR HELMET STARTED AS A MEDIUM OR SMALLER, THESE ARE YOUR OPTIONS

IF YOUR HELMET STARTED AS A LARGE OR LARGER, THESE ARE YOUR OPTIONS

YOUTH HELMETS ALSO HAVE REMOVABLE CHEEK PADS AND CROWN LINERS. FOLLOW THE CHART BELOW TO SEE WHAT RANGE OF SIZES ARE AVAILABLE FOR YOUR YOUTH HELMET.

IF YOUR YOUTH HELMET STARTED AS A 56CM OR SMALLER, THESE ARE YOUR SIZE OPTIONS. (52CM IS NOT AVAILABLE FOR RZ-37Y)

IF YOUR YOUTH HELMET STARTED AS A 57CM OR LARGER, THESE ARE YOUR SIZE OPTIONS. (57CM & 59CM ARE NOT AVAILABLE FOR RZ-37Y)
